## Eastern Cincinnati Conference Press Release

August 18, 2022

The **Eastern Cincinnati Conference** is proud to announce the launch of their live and on-demand streaming network this sports year in partnership with **ESP Media**. “We have been in discussion to make this new platform available for a couple years. Everyone is so excited to finally have it happen for the Eastern Cincinnati Conference,” Rob Ebel of ESP Media said.

Multiple games in football, men’s and women’s soccer and volleyball along with championship tournaments will be available for viewing each week during the fall season followed by winter and spring sports broadcasts. Fans will be able to access the schedule each week on the **Eastern Cincinnati Conference Network** website. The following link to access the games by our great fans is [www.eccbroadcasts.com](http://www.eccbroadcasts.com)

The initial sponsors are **The Motz Group** and **The Hildebrand Team of EXP Realty**.

Anyone interested in advertising should contact **Keith Pantling**, Lebanon Athletic Director at [pantling.keith@lebanonschools.org](mailto:pantling.keith@lebanonschools.org).

We believe this is a great way to showcase our amazing student-athletes.

We hope you enjoy the games.
